

## Dodital lake trekking expedition

<b>Location</b>	: Garhwal Himalaya, Uttarakhand
<b>Area</b>	: Uttarkashi region
<b>Grade</b>	: Easy to moderate
<b>Co-ordinates</b>	: 30.90 N, 078 .50 E
<b>Max. Altitude</b>	: 3025 m
<b>Season</b>	: Year round
<b>Duration</b>	: 6 Days

The **Dodital trek** is one of the famous treks in Garhwal region of Uttarakhand; this is an easy to moderate trek through Deodar and Pine forests in the Himalayas. Dodital Lake is a high altitude lake situated in the Uttarkashi district of Uttarakhand. This beautiful lake is nestled between dense woods of oak, pine, deodar and rhododendron trees and crystal clear waters are full of 'Dodi', local name for trout fish.
